**Summary of Comments Received**

Sixteen comments were received from groups, organisations and individuals. Six of these comments are in support of the proposed boundary; two propose changes to the boundary; and there are eight neutral comments or comments that provide advice on matters for future consideration. The objections to the proposed boundary state that it should be changed to follow the path of the new River Ancholme, not the old one.

**Responses to Comments Received**

The proposed neighbourhood plan boundary follows the Parish Council boundary. There would be little value in adding land to the east, as proposed, as it is in a neighbouring parish and includes minimal built development.

**Ward Member Comments**

None received

**Are any modifications required to this or any adjoining neighbourhood area? (Section 61H(6))**

No

**Any special circumstances to be taken into account**

No
